

REMARKS

Claims 1-65 remain in the case.

The specification is amended to add continuing information regarding priority of the application. No new matter is added. Specifically, in referencing the parent patent applications upon which the above-mentioned application claims priority; priority was claimed at the time of filing in the Declaration/Power of Attorney. Such action is thus respectfully requested.

Included with the preliminary amendment is a computer readable form of the sequence disclosed with the application, a paper copy of the sequence disclosed in the application, and a statement verifying the identity of the sequence.

If the Examiner disagrees, or believes for any other reason that direct contact with Applicants' attorney would advance the prosecution of the case to finality, he is invited to telephone the undersigned at the number given below.

"Recognizing that Internet communications are not secured, I hereby authorize the PTO to communicate with me concerning any subject matter of this application by electronic mail. I understand that a copy of these communications will be made of record in the application file."

Respectfully Submitted:
